IT'S TIME — LET'S GO!

As of today, approximately 30 percent of the country's population has been fully vaccinated. And, after an unprecedented year we are finally able to do more than dream of a getaway, we can actually get away — it's time!

HAWAII REAL ESTATE – IS HOT!

How hot is the real estate market in Hawaii? You could say lava-hot, except the molten rock that erupts from Hawaiian volcanoes typically moves very slowly. Now buyers are having to act quickly as well as bid boldly, no matter what their budget.

KĀ'ANAPALI BEACH HOTEL

[Partner]

Welcome back to our kealaula, our renaissance. Be one of the first to settle in these rooms, your island of peace on our home island.

[\(RE\)DEFINED](#)

MAY DAY = LEI DAY

As the official anthem to an unofficial (but widely celebrated) holiday, the song "May Day Is Lei Day in Hawaii" explains why you'll see a profusion of leis and related festivities on and around May 1 in the islands. But it doesn't tell you how this colorful tradition began — or about the deep cultural associations leis still have today.
